CARVER-HAWKEYE ARENA *HOME OF THE HAWKEYES*

Carver-Hawkeye Arena (CHA) is the home of Iowa Basketball (15,056 capacity). The Hawkeyes have won 79 percent of their home games since the arena opened in January of 1983, and boast an overall record of 447-117 in the facility.

Iowa has recorded seven undefeated seasons in Carver-Hawkeye Arena, including a school-record 18-0 mark during the 2014-15 season.

Not only is Carver-Hawkeye Arena superb for the players, but it is also an outstanding facility for the thousands of spectators who cheer the Hawkeyes to victory each game night with unobstructed views of the playing floor.

Hawkeye fans love to support their team, packing CHA for most games. Iowa ranked fifth nationally in average attendance in 2021-22, welcoming a total of 139,813 fans. Iowa has been ranked in the national attendance top 10 each of the past three seasons with fans (2022, 2021, 2019). The No. 5 ranking is the highest in the Lisa Bluder era.

Furthermore, three of the top four attended games nationally, outside of the Final Four, were sellouts inside Carver-Hawkeye Arena: 15,056 — Iowa vs.

Michigan on Feb. 27, 2022; 14,382 — Iowa vs. Illinois State on March 18, 2022; and 14,382 — Iowa vs. Creighton on March 18, 2022.

Over the past decade there has been a number of renovation projects to one of the 25 largest university-owned arenas in America. The upgrades enhance what is arguably one of the top college basketball facilities in the nation.

In addition to a new hardwood floor, CHA added state-of-the-art video and audio equipment to make the student-athlete and fan experience even greater. A center-hung scoreboard that includes four large LED video screens was installed in 2016. Additionally, four auxiliary displays on each side of the arena were installed.

The arena's revitalization also extends into spaces used by the general public on game days, including renovation of select concessions and restroom facilities, and the creation of hospitality spaces combined with club facilities for fans who choose to participate in a variety of the new premium seating options.

CHA also serves as home to Hawkeye wrestling and gymnastics, and has been the site of numerous concerts, commencements, sports camps, and other events.

CARVER-HAWKEYE ARENA HOME OF THE HAWKEYES

Connected to the arena is the Dale and Marilyn Howard Family Pavilion, which is four levels high and occupies over 60,000 square feet.

The first event in the arena was a Jan. 3, 1983, wrestling dual vs. Oklahoma (W, 35-7). The first women's basketball game was against Northern Iowa on Jan. 12, 1983. The Hawkeyes won the game, 66-65, and current Hawkeye Head Coach Lisa Bluder scored 12 points for the Northern Iowa Panthers.

Note: Iowa home games moved from Iowa Fieldhouse (13,365) to Carver-Hawkeye Arena (15,500) for the final 10 home games in 1983. Due to Carver-Hawkeye Arena renovations, the capacity dropped from 15,500 to 15,400 in 2012 and 15,400 to 15,056 in 2019.

FACILITIES *HOME OF THE HAWKEYES*

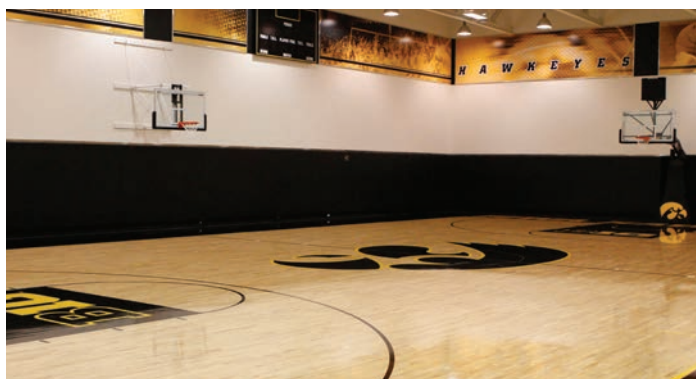

A players lounge that provides Hawkeye women's basketball student-athletes an opportunity to relax before and after workouts and games was part of the Carver-Hawkeye Arena renovation project.

The Iowa locker room features a theater room, where the Hawkeyes can go over scouting reports and watch video of opponents for upcoming games.

FACILITIES *HOME OF THE HAWKEYES*

Iowa's practice gym is state-of-the-art, with all the amenities a collegiate basketball student-athlete needs. The facility was completed in the fall of 2011.

The Carver-Hawkeye Arena strength and conditioning facility is located on the ground floor beneath the basketball practice gym. The facility has 10,000-square feet of functional space.

UNIVERSITY OF IOWA FOUNDED 1847

Respected for its excellence in education, passion for discovery, and tradition of public service, the University of Iowa offers a close-knit community that draws students and scholars from around the world.

Founded in 1847, the University of Iowa is the state's oldest public university. Today it comprises 11 colleges, a major teaching hospital, a technology research campus, and other resources. With more than 30,000 students, it is one of the nation's top public research universities while remaining one of the smallest public institutions in the Big Ten.

Iowa is a place where every student can find their niche, get to know classmates and professors, and receive personal assistance in meeting college and career goals. Its 1,700-acre main campus bridges the Iowa River in the heart of Iowa City, and both campus and community radiate a welcoming, cosmopolitan spirit.

U.S. News & World Report magazine ranks Iowa among the nation's best public universities, and Iowa has long been recognized as a "best buy" in the *Fiske Guide to Colleges*. Iowa offers:

An emphasis on education. With more than 200 areas of undergraduate and graduate study, plus seven professional degree programs, Iowa helps students find their direction or chart new paths. Most classes have fewer than 30 students, and the overall student-to-faculty ratio is 15:1.

Top-notch mentors. Iowa's accomplished faculty members share their expertise in the classroom and beyond. Students can join faculty-led research teams — 1 in 3 undergraduates does just that — and develop their own projects with expert guidance. That's the kind of experience that comes only from a major research university.

International connections. UI students representing nearly 100 countries help bring the world to Iowa, and wide-ranging study abroad opportunities add international perspective to almost every academic program.

Game-changing medicine. A staff of more than 10,000 and over 1 million clinic visits each year make UI Health Care one of the nation's largest university-owned teaching hospitals and a major health care provider for the state. With many nationally ranked pediatric and adult medical specialties, UI Health Care also helps train new generations of doctors, nurses, and other health professionals, and engages in groundbreaking medical research. UI Hospitals & Clinics is ranked by *Forbes* magazine as one of the best health care employers in the nation.

State of the arts. The pioneering Iowa Writers' Workshop is one of the most respected programs of its kind and one reason Iowa has earned a reputation as a premier center for arts education. Outreach programs and performance venues also make the university a destination for arts aficionados.

Community ties. University of Iowa initiatives, and an emphasis on public engagement, strengthen campus-community connections by promoting student philanthropy, honoring outreach projects, and developing service-learning initiatives.

Focus on sustainability. By planning and constructing greener buildings, developing sustainable energy sources, and cutting waste, today's University of Iowa is reducing its environmental impact. It also offers a certificate in sustainability to help students become leaders in conservation.

Economic impact. The University of Iowa helps develop a smart, creative, and entrepreneurial workforce, but it's also one of Iowa's largest employers, a magnet for out-of-state investment, and a resource for new and existing businesses. The Office of the Vice President for Research provides a central contact for business development and the commercialization of new discoveries.

Life after campus. Some 95% of Iowa graduates find a job or are accepted into graduate school within six months of graduation. Enhanced career services from the Pomerantz Career Center aim to maintain and increase this high rate appropriately through innovative strategies that help students become career entrepreneurs and leaders in the workplace.

Today's University of Iowa is dedicated to building a better state, nation, and world by producing generations of scholars and professionals, driving economic growth, and fostering innovations in the sciences, humanities, and arts. Whether you're visiting campus, preparing for college, or seeking new learning and career opportunities, Iowa welcomes you to explore.

STUDENT-ATHLETE ACADEMIC SERVICES SUPPORTING IOWA'S STUDENT-ATHLETES

Academic Services staff assists student-athletes with making timely and satisfactory progress toward their degrees. This can include, but is not limited to, academic advisement, tutoring and instructional support, as well as educational programming. The office works in collaboration with coaches, University staff, and various athletic personnel regarding student-athlete academic matters and ensures compliance with all institutional, National Collegiate Athletics Association (NCAA) and Big Ten Conference (B1G) rules and regulations. The staff is dedicated to the success and development of Iowa student-athletes and encourages students to be active contributors to the campus and community.

GERDIN ATHLETIC LEARNING CENTER

The Athletic Department's commitment to academic excellence received a tremendous boost in 2018 with the completion of a \$6 million renovation to the Gerdin Athletic Learning Center (GALC). The renovation project was a 2019 IDEA Educational Design Award Winner by the International Interior Design Association. GALC functions as a hub for student-athlete academic success at the University of Iowa.

VERSATILE SPACE

The architectural and design features of the GALC

encourage and facilitate the rigorous academic demands that a Big Ten institution requires. Studying styles, needs, and preferences vary widely among our Hawkeye student-athletes. As a result, the learning and collaboration spaces are diverse in layout and purpose. There is ample private space for focused study and collaboration rooms throughout the building.

TECHNOLOGY

There is no doubt that technology is changing the way that all students study on college campuses, especially following the COVID-19 pandemic and online learning. State-of-the-art upgrades and renovations to the GALC help our student-athletes efficiently "plug-in" to the world of higher education. Personal USB outlets are included in the many modern ergonomically designed workstations throughout the building, allowing our students to stay connected anywhere, any device, any time. The GALC is keeping pace with technological advancements needed for Hawkeye student-athletes to remain competitive in the classroom. Whether a student is using the GALC computer labs, projecting documents on the shared screens in a collaboration room equipped with over-sized, wall-mounted high-resolution screens, or learning alongside a tutor or learning assistant, they have the tools and resources to be successful.

HAWKEYE LIFE PROGRAM

The Hawkeye Life Program is an all-encompassing life skills and leadership development model which seeks to enhance the student-athlete experience at the University of Iowa. Hawkeye Life offers student-athletes educational opportunities beyond their athletic and academic responsibilities. The goal is to encourage student-athletes to get involved, to be civically engaged, and to take an active role in their personal and professional development. There are six pillars highlighted in the Hawkeye Life Program: Leadership, Academic Success, Diversity & Inclusion, Career Development, Health & Well-Being, and the Mid-American Energy Community Engagement pillar.

ACADEMIC SUCCESS

Student-Athlete Academic Services offers free tutorial assistance for all student-athletes in most general education courses and select upper-level coursework. Tutoring is provided in both one-on-one and group settings, and all sessions are located in the GALC. In addition, the Personalized Academic Support System (PASS) creates a customized academic plan to fit the needs of each student based on their academic profile. This includes tutoring, as well as meetings with a learning assistant, structured study time, utilization of campus resources, etc.

STUDENT-ATHLETE ACADEMIC SERVICES SUPPORTING IOWA'S STUDENT-ATHLETES

COMMUNITY ENGAGEMENT (SPONSORED BY MIDAMERICAN ENERGY)

The Community Engagement pillar enhances the growth and development of student-athletes to become Hawkeye leaders and productive citizens. Service is an important piece of the student-athlete experience. Student-athletes participate in service projects throughout the academic year, including the annual Hawkeye Day of Caring, which marks its 25th year in 2023.

LEADERSHIP

The Leadership pillar prepares student-athletes to be positive role models, active citizens, and successful professionals. The Iowa Student-Athlete Advisory Committee (ISAAC) is one way student-athletes develop leadership skills. Through high-impact leadership experiences and service to their team and community, ISAAC members are the voice of student-athletes on campus as well as on the B1G conference and national (NCAA) levels.

DIVERSITY & INCLUSION

The athletics department seeks to cultivate a safe and accepting environment for all student-athletes regardless of gender, sexual orientation, race or ethnicity. Through the Multicultural Focus Group (MFG), SAAS offers various programs that provide all student-athletes with opportunities to learn and understand cultures and communities that differ from their own. Two full-time staff members facilitate Diversity & Inclusion programming – the Assistant Athletics Director for Diversity & Inclusion and an Academic Coordinator / D&I Assistant. Through their work, and the hard work of student-athletes, four affinity groups create safe spaces for student-athletes to join in conversation – iHawks (international student-athletes), Hawkeye PRIDE (LGBTQ+ and allies), BSA (Black Student-Athletes), and HERkys (female student-athletes and allies).

HEALTH & WELL-BEING

The athletics department provides valuable resources so that student-athletes can understand the importance of and maintain both physical and mental well-being. A holistic approach is fostered by the department, which includes athletics and campus resources, offers students opportunities for counseling in Sport Psychology and campus mental health services, as well as overall well-being topics including nutrition, stress management, alcohol and drug education, sleep hygiene, emotional well-being, etc. The Health & Well-Being Outreach Committee (HWOC) comprised of athletics staff, administrators, medical staff, and student liaisons – facilitates programming throughout the year, and is a resource for coaches and student-athletes when seeking well-being opportunities.

CAREER DEVELOPMENT

SAAS, in collaboration with campus career entities, is committed to ensuring student-athletes are prepared for careers after graduation. Student-athletes will participate in career readiness programming that includes career and major exploration, financial literacy, resume development, professional skill building, networking, and experiential learning. The Hawks to Professionals (H2P) program, facilitated by the Assistant Director of Career Development, matches student-athletes with area professionals for job-shadowing experiences during the summer.

2021-22 ACADEMIC SUCCESS "BY THE NUMBERS"

- 89% Graduation Success Rate (GSR)
- 270 Academic All-Big Ten recipients (113 Fall 2021, 47 Winter 2022, 110 Spring 2022)
- Student-athletes received more than 33,000 hours of quiet study, advising and tutoring support at the Gerdin Athletic Learning Center
- Student-athletes completed 2,665 hours of community service
- Student-athletes completed 5,500 hours total in the Hawkeye Life Program (including events and opportunities in all six pillars)

GARY A. BARTA HENRY B. AND PATRICIA B. TIPPIE DIRECTOR OF ATHLETICS CHAIR

Gary Barta is in his 17th year as the director of athletics at the University of Iowa, where he occupies the Henry B. and Patricia B. Tippie Director of Athletics Chair. The position was endowed in 2017 by the Tippies, longtime supporters of the University of Iowa and Hawkeye Athletics. Henry B. Tippie earned his UI degree in 1949 and was presented with an honorary degree in 2009.

GARY BARTA

Henry B. & Patricia B. Tippie Director of Athletics Chair

Barta has just completed a three-year stint as a member of the College Football Playoff (CFP) Selection Committee. He was appointed to the selection committee by the CFP Management Committee in February, 2019 and served a three-year term. He served as committee chairperson in 2020 and 2021.

Since the fall of 2020, Iowa's athletics programs have won 11 Big Ten championships, along with claiming the football West Division title in 2021. It is the most championships earned by the Hawkeyes in any two-year period. The Hawkeye football team posted 10 wins in 2021 and earned yet another January bowl invitation.

Hawkeye teams to have earned championships include women's soccer (tournament); field hockey (regular season); wrestling (regular season and tournament); women's basketball (regular season and tournament); men's basketball (tournament); women's gymnastics (regular season); indoor men's track (two) and outdoor men's track.

Five conference titles, along with the football division championship, were earned in 2021-22 as a follow-up to six Big Ten championships in 2020-21. Six student-athletes were named Big Ten Athlete of the Year in their respective sports in 2020-21 as Iowa earned its highest finish in the Learfield Directors' Cup since 1997.

In 2021-22, Iowa became just the second Big Ten school to have its football team and men's and women's basketball teams play in the Big Ten Championship Game since the football game was introduced in 2011-12.

Individually, Iowa was the only school in the nation in 2021-22 to have both a men's (Keegan Murray) and women's (Caitlin Clark) finalist for the Naismith and Wooden National Player of the Year Awards.

In addition, field hockey advanced to the 2020 Final Four, football earned a postseason bowl invitation (game was canceled), men's basketball reached the second round of the men's NCAA Tournament, and women's basketball reached the Sweet 16 of the NCAA Tournament in 2021. Soccer won its first NCAA Tournament game and the baseball and softball teams each placed fourth in the Big Ten, as did women's tennis.

The Hawkeye wrestling team won the 2021 NCAA Championships along with its Big Ten title, and the men's track team placed 12th nationally at the NCAA Championships, its highest finish since 1967.

Murray is the sixth Hawkeye under head coach Fran McCaffery to earn first-team All-Big Ten honors in the last nine seasons. McCaffery has guided Iowa to 20 wins or more in eight of the past 10 seasons and upper-division Big Ten finishes nine of the past 10 years.

Women's Basketball: Head coach Lisa Bluder's team posted a 24-8 overall record. The Hawkeyes were 14-4 in Big Ten play, earning a share of the regular season title. Iowa then captured the Big Ten Tournament title, winning both championships for the first time in program history.

Sophomore Caitlin Clark earned consensus All-America honors after leading the nation in both points per game and assists per game. Clark earned Nancy Lieberman Point Guard of the Year and Dawn Staley Guard of the Year honors, while center Monika Czinano led the nation in field goal percentage for a second consecutive season.

Field Hockey: Iowa won the Big Ten regular season title while recording an overall 17-3 record, which included a 16-game win streak to open the season. The Hawkeyes were ranked No. 1 in the nation for six straight weeks and advanced to the Elite Eight for the 20th time in program history.

Head coach Lisa Cellucci was named Big Ten Conference Coach of the Year for the third straight year, becoming the first coach in league history to earn that distinction.

Four Hawkeyes earned All-America honors, including Anthe Nijziel, who was named Co-Big Ten

Player of the Year and Big Ten Defensive Player of the Year for the second straight season.

Track & Field: The Iowa men's track and field team won the indoor championship for a second straight year, while placing second at the outdoor championships. The outdoor squad ended the season with seven school records and earned 10 All-America honors, including seven first-team honors. The Hawkeyes also won the Drake Relays Cup.

In the indoor season Iowa tied for 18th at the NCAA Championships as head coach Joey Woody was named Big Ten and USTFCCCA Regional Coach of the Year while assistant Jason Wakenight was named USTFCCCA Midwest Region Coach of the Year.

During the indoor season, Jenoah McKiver won the 600-meter event at the Big Ten Championships and ran on the winning 4x400-meter relay team. McKiver placed second in the nation in the 400 meters and was named Midwest Region Athlete of the Year.

The Hawkeye women's track program saw four student-athletes earn first-team All-America honors during the indoor season and had seven individuals earn All-America honors outdoors.

Baseball: Iowa baseball posted a 36-19 record in 2022, the eighth-most wins in a single season. The Hawkeyes were 17-7 in Big Ten play, tying for second place during the regular season. Iowa advanced to the semifinals of the Big Ten Tournament, winning three consecutive elimination games.

Adam Mazur was named Big Ten Pitcher of the Year and was named second-team All-America by Collegiate Baseball. Outfielder Keaton Anthony was named Big Ten Freshman of the Year. Peyton Williams joined Mazur in earning first-team all-Big Ten honors, while Anthony and Ben Beutel were second-team honorees.

Iowa's pitching staff ranked in the Top-13 nationally in five categories and was the best staff in the Big Ten. The Hawkeyes set a single-season school record with 609 strikeouts.

Women's Gymnastics: Women's gymnastics once again advanced to the NCAA Championships, reaching the regional finals for the first time since 2004 after placing third in the Big Ten. The Hawkeyes posted five of the top nine scores in program history.

Sophomore Adeline Kenlin finished as the NCAA runner-up on the balance beam – the highest individual finish in program history. She earned first-team All-America honors. Senior Lauren Guerin was a Big Ten individual champion for the second straight year.

Men's Golf: Juniors Mac McClear and Ronan Kleu each earned second-team All-Big Ten honors, and both were invited to compete as individuals at the NCAA Regional championships.

UNIVERSITY OF IOWA TRADITIONS *PROUD HAWKEYE FANHOOD*

THE HAWKEYE NICKNAME

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago.

The name Hawkeye was originally applied to a hero in a fictional novel, *The Last of the Mohicans*, written by James Fenimore Cooper. Author Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawk Eye. The two men continued their campaign to popularize the name and territorial officials eventually gave it their formal approval.

HERKY THE HAWKEYE

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawk, was hatched. The creator was Richard Spencer III, instructor of journalism.

The impish hawk was an immediate hit and he acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth over 70 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid 1950s Herky came to life at a football game as the Iowa mascot. Since then Herky has been a familiar figure at Iowa athletic events.

SCHOOL COLORS

For 40 years Iowa was without school colors, but in 1887 a group of 50 seniors met on the steps of the Old Capitol to decide, what are now, the official school colors. They chose Old Gold, the color of Iowa's vast corn fields, and Black, for the color of the rich soil.

SCHOOL FIGHT SONG

The Iowa Fight Song was written in 1950 by Mason City, Iowa, native Meredith Willson. Best known as the creator of Broadway's *"The Music Man,"* Willson was awarded a 1963 University of Iowa Alumni Association Distinguished Service Award for "setting the spirit of Iowa to music." The lively cheer is sung hundreds of times during Iowa athletic events during the year.

THE TIGERHAWK EMBLEM

When Hayden Fry was named University of Iowa Head Football Coach in 1979, he wanted to change the Hawkeyes' image from a team that posted 17-straight losing seasons to that of a winner. One part of that makeover was creating and introducing a new logo. Fry and the athletics marketing department held a campus-wide contest asking fans to submit their logo ideas. The winner — the tigerhawk designed by Cedar Rapids native Bill Colbert — has become synonymous with University of Iowa Athletics.

IOWA FIGHT SONGS

ON IOWA

On, Iowa, proudly at the fore,
On, Iowa, on forever more,
Ev'ry loyal son will give a rousing toast to you,
Ev'ry loyal daughter loves you true,
On, Iowa, with your wealth untold,
A heritage to us you did unfold,
Love of family, love of friend,
Love of country, too, makes us proud for what you stand,
Our dear Old Gold.

IOWA FIGHT SONG

(Meredith Willson)

The word is "Fight! Fight! Fight! for IOWA,"
Let every loyal Iowan sing;
The word is "Fight! Fight! Fight! for IOWA,"
Until the walls and rafters ring (Rah! Rah!)
Come on and cheer, cheer, cheer, for IOWA
Come on and cheer until you hear the final gun.
The word is "Fight! Fight! Fight! for IOWA,"
Until the game is won.

ROLL ALONG IOWA

Roll along, Iowa, Roll down the field,
On to victory!
Roll along, Iowa, Don't ever yield,
Always a winner be!
Get that ball, Give your all,
For dear Old Gold,
Raise her banner high!
With firm endeavor,
Roll on forever, U. of I.

ALMA MATER IOWA

Come all alums of Iowa,
and blend your voices true;
Sing praises to our Alma Mater,
as good Hawkeyes do.
Let's keep within our hearts a fire
to magnify her fame;
Bring credit to these noble halls
where glory and honor reign.
The day is near when comrades here
will bid farewell and part;
But each Hawkeye carries on,
thy spirit in his heart.
Oh! Iowa, Iowa, we drink a toast to you;
We pledge our everlasting love
for dear old Iowa U.
Alma Mater, Iowa.
